

Frederick Douglass Tunnel

B&P TUNNEL REPLACEMENT

Earlier today, Wednesday, October 24, 2024, an Amtrak contractor damaged a utility pole causing a short-term power outage for properties in the vicinity of the 700 block of N. Pulaski. The utility company, BGE, was contacted immediately to restore power which was completed within approximately 5 hours. No injuries were reported during this incident.

We thank community members for their patience today and apologize for the inconvenience this power outage may have caused. Residents are encouraged to opt-in to receive text messages related to construction. Text one of the following keywords to **(833) 917-3749**.

- **FDTNorth** – for updates about work occurring north of North Avenue
- **FDTSouth** – for updates about work occurring south of North Avenue
- **FDTConstruct** – for all construction updates on the Program
